Duncan Park Announces that Joint Venture Partner to Increase Interest in Elephant Gold and Silver Project

TORONTO - Duncan Park Holdings Corporation (TSXV: DPH) is pleased to announce that Randsburg International Gold Corp. has advised Duncan Park that it is exercising its option to earn up to an additional 25% interest in the Elephant Gold and Silver Joint Venture Project, which is situated within the heart of the Battle Mountain mining district, in the northwest part of the Battle Mountain-Cortez-Eureka Trend, Nevada. Randsburg currently has a 25% interest in the joint venture. To earn the additional 25% interest, bringing Randsburg's interest to 50%, Randsburg must pay Duncan Park additional cash or stock with a value of \$250,000 U.S. and fund additional exploration expenses of \$500,000 U.S. on the Elephant project.

As previously announced, a Phase 2 drill program is currently in progress on the property and several targets are being tested.
