FOR IMMEDIATE RELEASE

November 19, 2008

Duncan Park Completes Private Placement

Toronto, Ontario - Duncan Park Holdings Corporation (TSXV: DPH) announced today that it has completed its previously announced non-brokered private placement and has issued 6,666,666 units at a price of \$0.03 per unit for aggregate gross proceeds of approximately \$200,000.

Each unit is comprised of one common share and one common share purchase warrant. Each warrant is exercisable at a price of \$0.05 per share during the first 12 months of its term and thereafter at a price of \$0.10 per share during the second 12 months of its term.

Proceeds from the private placement will be used for drilling on the Company's Rock Creek property and general working capital purposes.

The securities issued and issuable pursuant to the private placement are subject to a four-month hold period expiring March 20, 2009.

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, information with respect to Duncan Park's exploration plans. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects", or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "does not anticipate", or "believes" or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might", or "will be taken", "occur", or "be achieved". Forward-looking information is based on the opinions and estimates of management at the date the information is made, and is based on a number of assumptions and is subject to known and unknown risks,

uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Duncan Park to be materially different from those expressed or implied by such forward-looking information, including risks associated with the exploration, development and mining industry such as economic factors as they effect exploration, future commodity prices, changes in foreign exchange and interest rates, actual results of exploration activities, government regulation, environmental risks, permitting timelines, capital expenditures, operating or technical difficulties in connection with exploration and development activities, availability of skilled labour and equipment, the speculative nature of gold exploration and development, including the risks of diminishing quantities of grades of reserves, contests over title to properties, and changes in project parameters as plans continue to be refined as well as those risk factors discussed in Duncan Park's management's discussion and analysis for the period ended August 31, 2008, available on www.sedar.com. Although Duncan Park has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. Duncan Park does not undertake to update any forward-looking information contained herein, except in accordance with applicable securities laws.
