PRESS RELEASE

FOR IMMEDIATE RELEASE
November 30, 2012

Duncan Park Announces Loan Agreement

Toronto, Ontario - Duncan Park Holdings Corporation (TSXV: DPH; OTCQX: DCNPF) announced that its board of directors has authorized the Corporation to borrow up to \$150,000 from available sources, pursuant to which it has entered into a unsecured term loan agreement with a non-arm's length party to borrow \$75,000 (the "Loan"). The Loan bears an interest rate of 5% per annum, calculated annually and is due and payable on or before March 15, 2014.

The Loan was made by Ian McAvity, president, CEO, a director and a 10%+ shareholder of the Corporation.

Proceeds of the Loan will be used for working capital purposes and may be prepaid by the Corporation prior to its maturity date without penalty.

The financing was approved by non-interested directors of the Corporation. A material change report in respect of the private placement will be filed on SEDAR in accordance with applicable securities law. The report could not be filed at least 21 days prior to closing as material information concerning the financing was not then known by the Corporation.

About Duncan Park

Duncan Park is a Toronto-based mineral exploration company exploring for gold and other precious metals in Ontario's prolific Red Lake gold mining district.
